INTENSIVE SWIMMING

Today was the last day for swimming instruction this year. It is amazing how much your children have progressed during the past fortnight. Please continue their swimming during the holidays teaching them water safety and improving their swimming ability.

Many thanks to the parents who assisted during the last fortnight. Your help has been invaluable and maybe has saved someone's life.

GIVING TREE

This year Yanco Public School students are collecting presents to give to people in our community who don't have much money for gifts at Christmas.

We have a Christmas tree in the foyer near the office, ready for gifts to be placed under it.

If you are able to contribute, please send in a gift with your child. It doesn't have to be anything expensive, but new items would be good.
