- normal home time at 3.15pm.

All parents, carers and community members are invited and encouraged to attend.

P.B. Award Winners

Beau Griffiths – Jaspa Flew

Congratulations to this week's award winners

Principal's News

Dear Parents and Carers,
 Mr Powter's class are learning some very important lessons about money and employment in their classroom this term. This week the students discovered through their pancake fundraiser how up front costs can have an impact on their overall profit and the amount of work it takes to make that profit. A BIG thank you to the YPS P&C for donating the ice and allowing the students to use the snow cone machine. The students made \$222.00 and had a total of \$45.00 in expenses with a profit of \$177.00 to go towards a \$220.00 app the students wished to purchase to use in class. There were a lot of very satisfied customers with over 100 pancakes made. Well done everyone!
 Mr Powter's class have also learnt the skills required and the importance of writing an informative employment application to assist in determining who takes on classroom duties for the term.

Premier's Spelling Bee

Today Alaree Tabain, Asha Dunn, Zaide Eyles and Stephania Cuteri will travel to Griffith for the annual Premier's Spelling Bee. The spelling bee is an opportunity for our super spellers to put their knowledge into action in front of an audience.

The Irrigator Newspaper

We regularly send information into the local newspaper to spread the word about the great learning and opportunities happening at Yanco Public School. Any stories that we send into The Irrigator are shared on our school Facebook page. Unfortunately, many people do not subscribe to the page and are unable to read the articles on line. Where possible we will let you know via text message if your child will be pictured with our article so that you can purchase a copy of the paper.

Stage 2 Netball and Rugby League Gala Day

Our Year 3 and Year 4 students will attend the Netball and Rugby League gala day tomorrow in Leeton. If you are able to assist with transport please contact Miss Wright who will be supervising on the day. Please ensure your child has a packed lunch or money for the canteen, full sport uniform, hat, sunscreen and a full water bottle.

Canteen and the NSW Healthy School Canteen Policy

Recently Kim Evans and Miss Grigg attended the local Canteen Network meeting. The meeting is a great opportunity to share what is working well in schools when aiming to meet the requirements of the NSW Healthy School Canteen Policy. Michelle Del Guzzo from Live Life Well will visit the school on Friday morning to assist with planning our Term 4 \$5.00 Canteen Meal Deal menu.

Oven in School Canteen

Last Friday our second oven was installed in the canteen. This will make time management in the canteen far more efficient.

\$5.00 Canteen Meal Deal

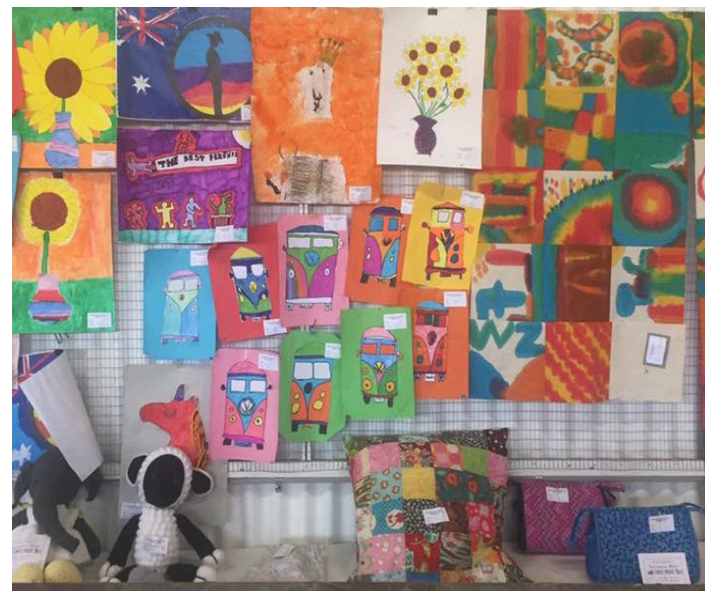

Tomorrow our K-6, Little Learners and Kindergarten Transition students will have the opportunity to purchase their recess and lunch (lunch for K-6 and K Transition only). Please remind your child/ren to keep the money in their bags as there is no one in the office on Friday mornings to collect the order slips and money.

Leeton Show

The Leeton Show will take place on the last weekend of the school holidays. The school will enter the art banner. This year the show theme is based around the 'Year of Indigenous Languages' theme. Students are welcome to enter their own individual entries. We will also enter any items we have from the school flower and vegie gardens.

Narrandera Show

Well done to Yanco Public School students for entering items in the Narrandera Show last weekend. Alaree Tabain entered an illustration. Maya and Tess Piltz entered some cooking in the junior section. A tub full of YPS artwork was used to display a large amount of wall space in the shed and as you can see from the photos it looked fantastic!

2019 Ben Walsh Solar & Electrical Leeton Show

Friday 11th and Saturday 12th October

“Its Flammable”

Friday evening

- Colouring in competitions
- Rugby Clinics
- Give-a-ways
- Face painting
- Balloon twisting
- Jumping Castle
- Plus500 Brumbies & Super W players in attendance

And many more fun activities.

CHILDREN FROM 5 TO 12 YEARS-OLD

*Activities and players in attendance will vary depending on location.

Hats: Spring is here and now that the weather will be warming up, it is even more important for all 'Little Learners' to have a wide brimmed hat so they can play outdoors safely.

'Little Learners' t-shirts: The change in weather has also seen many students choosing to wear their 'Little Learner' t-shirts on Fridays. If any student did not receive a 'Little Learners' shirt when they commenced the program, please let Mrs Kroek or Mrs Milthorpe know at the start of the next 'Little Learners' day and we will happily locate one for you.

Biscuit decorating for the Narrandera Show: Last week, the 'Little Learners' decorated biscuits for the Narrandera Show. All the students had a fantastic time doing this and completed some very creative designs they should be very proud of!

Recent crafts and activities: We decorated hat pictures after reading a book about a bear who had a hat for every occasion. It was great to see the creative side of all 'Little Learners' shine during this activity as they used cotton wool, coloured matchsticks, coloured paper and lots more to decorate their hat.

The 'Little Learners' enjoyed putting the finishing touches on their Fathers' Day gifts. They decorated doughnut pictures with little pieces of paper they cut themselves with scissors. These acted as sprinkles for the doughnuts. Also included were 3 things our dads' do for us to make us feel loved by them and a photo of themselves in the middle.

Mrs Kroek and Mrs Milthorpe have loved observing what the 'Little Learners' have been up to and noticed:

- **Kruze** practising his counting and fine motor skills by putting pom poms on caterpillar pictures with the tongs;
- **Charlie** shopping at the little shop supermarket role play area with **Bella**;
- **Genevieve** jumping at the chance to use the letter match activity;
- **Max** building a jenga block tower and taking great care decorating his biscuits for the show;
- **James** and **Hettie** making numbers at the pegboard station with Taylor who kindly visited our room from Mr Powter's class. Thanks for all your fantastic work Taylor!
- **Lacey, Bella, and Azalea** making cakes at the playdough table. They decorated them with coloured matchsticks, candles, jewels and beads;
- **Blayne and Sage** exploring all the vehicles in the big vehicle tub and being excited to use the bongos during our musical instrument time;
- **Ruby** playing with the farm animals and tractors at the farm scene with Evie;
- **Evie** adored her time playing with the dollhouse, almost as much as she enjoyed her usual favourite - the playdough table;
- **Zeke** and **George** enjoying the trucks and decorating their biscuits for the show.

Best wishes for a happy weekend!

Mrs Kara Kroek and Mrs Linda Milthorpe.
