FIRST DAY BACK

School Photos

We have just been notified that the photographer will be in Leeton on Tuesday, 20th April. We do apologise for the short notice. Ordering and payment will be the same as in previous years so payment will not be expected on the day. More information and ordering information will be provided by the photographer after the photos have been taken.

Dear Parents and Carers,

Our Term One Reward Day was an enjoyable and relaxing afternoon for all of our students and teachers. It was fantastic to have so many of our students participating in the activities and having fun during this event yesterday.

Thank you for Term One!

We have had another successful term of learning at Yanco Public School. It is wonderful to walk around the school and view the positive student attitudes, friendships developing and the learning happening in each of our classrooms. Thank you to all students, staff, parents and carers for your commitment to ensuring Yanco Public School is a positive and productive learning environment.

Anzac Day Ceremony Sunday, April 25th 2021

We have been informed that an Anzac Day ceremony will take place in Leeton this year however, due to CO-VID19 regulations only the Yanco Public School captains and two members of the teaching staff will be able to attend. If there is any change to this information it will be updated in the next school newsletter.

School library borrowing

A reminder that students have the opportunity to return and borrow books from our school library on Thursday during even weeks. Please ensure your child/ren keep their library books stored in a safe place at home. All children must have a library bag to minimise damage to books while stored in their school bag.

Student Effort Report Cards

Student effort report cards have been sent home today, the report outlines their commitment to learning for Term One at Yanco Public School. Parent teacher interviews will not be timetabled again until the end of Semester One however, if you would like to speak with your child's teacher based on the information received in the report please contact the school via the mobile phone to plan an interview time to speak with your child's teacher.

Naplan Practice

In Week 10 of this term Year 3 and Year 5 students have participated in online Naplan practice tests. The purpose of this is to prepare students for the online platform and to determine if the school's existing computers and internet can cope with all students sitting the test at one time.

Essential Assessment K-6

Throughout Week 9 and Week 10 K-6 participated in online Literacy and Numeracy assessment tasks. This has allowed us to streamline our teaching and better meet the needs of each student both in the classroom and during learning support sessions.

School Term Break

Term One will conclude on Thursday, April 1st 2021. We will welcome students back for Term 2 on Tuesday, April 20th 2021.

School Security

At times staff will be on site during the school holidays however, if you notice anything suspicious or an issue such as a fallen tree could you please text the school mobile phone on 0436 691 944.

Harmony Day at Yanco Public School 23.03.21

We celebrated Harmony Day last week at YPS and it was great to see all students so engaged with the activities they took part in on the day.

During this time, we talked about how it is important to respect and appreciate everyone and why orange is the theme colour of Harmony Day (orange represents deep conversations and social communication).

Students worked together painting flowers to create a beautiful group artwork with an orange theme to display near the school office which represents their own conversations/communication on the day.

Everyone loved playing Indigenous games such as 'Kolap' and 'Walbiri'.

Harmony Day at Yanco Public School 23.03.21

Students discussed foods they eat that come from different cultures and enjoyed tasting pappadums (Indian) and biscotti (Italian).

The Harmony Day themed play dough was very popular! The students were given cards which asked them to use play dough to make a person holding hands with others, faces for people, a road to connect the towns and a flag for a flagpole.

Harmony Day at Yanco Public School 23.03.21

The 'Fingerprint Friends' craft proved to be another favourite and every student had a great time making Harmony Day bracelets/headbands in the afternoon session. What a wonderful day we had together!
