Yanco Public School.....Towards a better world

Dear families,

Week 6 is here and again it is a busy week. Each afternoon we have been heading to the pool for our Swim School. I got to go into the pool with the beginner's group yesterday and enjoyed watching them as they demonstrated their bravery in putting their head underwater or blowing bubbles. I even managed to gain the trust of some as they had a go at floating on their backs, well maybe not quite floating, but making a star shape while I kept them afloat. Reports from other teachers is that this year there is a real shift in how many students are working on stroke development and stamina rather than water confidence.

On Monday K/1 had a visit from the Narrandera Director, Educational Leadership, Tanya Whyte and the Rural South and West Executive Director, Dean White. They came to visit the school to see the excellent work we are doing as a small school and as you can see, both were working hard with students as they explored and created patterns. Mr White also gave the class a quick geography lesson as he explained using Google Maps where the 300 plus schools he supports are located.

Young Leaders Conference

Next Monday and Tuesday, Miss Williams and I will be heading to Sydney with our fearless school leaders Mia and Indie to support them at the Young Leaders Conference. You will get to hear all about their adventures in the Week 8 edition of this newsletter.

Menstrual Hygiene Program

Each girl in year 4-6 should have given you a letter about the menstrual hygiene program run by the Department of Education. This program allows for students to have access to items including pads, tampons and period underwear free of charge. We have had a good uptake of requests for period underwear. If you would like to know more about this, did not get the note, or have a child in a younger year that would benefit from this support please give the office a call.

Little Learners starts tomorrow 😊

YPS Little Learners Information

Drop off: 9:05-9:15am at the front office.
Pick up: 12pm from the front gate near the office.
All Little Learners will need:

- Fruit/vegetable for 'Crunch and Sip' (in a separate container please as this is easier for students to remove from their bags and avoids confusion about what can be eaten during fruit break)
- Lunch - **NOTE:** we have a student who is highly allergic to nuts so please avoid eating nut products such as nutella in the morning or packing them for lunch to help keep them safe. Thank you.
- Water bottle
- Wide brimmed hat
- A change of clothes and underwear (in case of accidents)
- A bag big enough to hold all their belongings

We look forward to seeing everyone **THIS FRIDAY 3rd MARCH!**

AVOID NUTS AND NUT PRODUCTS ON FRIDAYS PLEASE

We have a Little Learner student at school this year who is highly allergic to nuts. Could all K-6 and Little Learner students please avoid eating nut products in the morning or having them in their lunchboxes on **FRIDAYS ONLY** to help keep this student safe.

Thank you.

LEARNING SUPPORT NEWS

Such a busy and exciting time for all our wonderful students at NPS!

Ms Grigg has been doing a fantastic job helping the Year 3 and Year 5 students to develop their literacy and numeracy skills ready for NAPLAN. Miss Sharyn's MiniLit group and the Individual Learning Plan students have been working hard as well.

Mrs Scifleet's Kindergarten students have been doing such a great job completing their learning tasks. Miss Susannah and Mrs Kroek loved working with Kindergarten and seeing their awesome efforts in action this week while making and writing words using letter sounds they know (shown right).

YEAR 4 5 6 NEWS

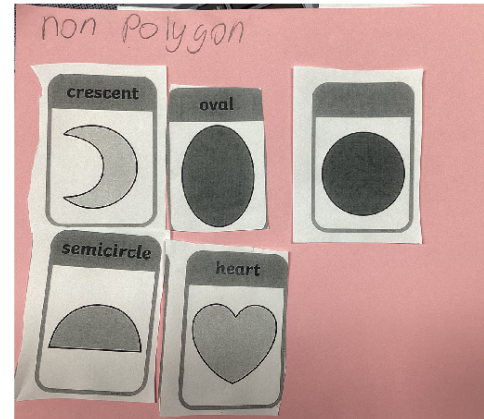

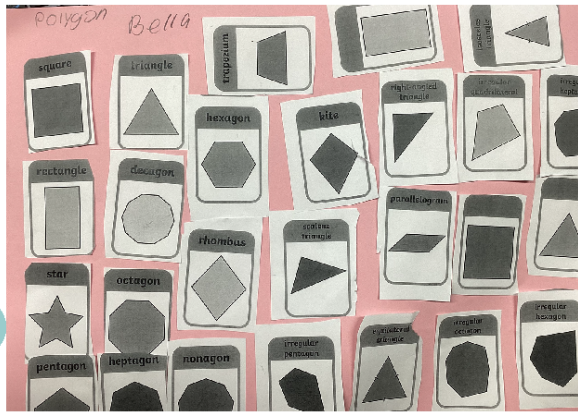

Our term so far has been incredibly busy. The class focus has been creating narratives, persuasive writing, learning new spelling lists, place value, 3D shapes and their times tables. In Geography we have been looking at why we live where we live and our impact on the earth. In art we are learning new choir songs and producing art by Pete Cromer. We are all very proud of their dedication to the increased work they now have in Stage 2 and 3.

Year 2/3

Classroom News

Lots has been happening in the 2/3 classroom over the last couple of weeks. We have been developing our routines in the classroom and adjusting to new experiences.

As part of our Maths lesson over the last couple of weeks we have been discovering new ways to sort and categorise shapes, objects and numbers. We have been learning about the different attributes that numbers can share such as how many digits they have and whether they are odd or even. We have also been learning the difference between polygon and non-polygon shapes.

More recently we have been exploring what makes a pattern and developing our own patterns using various items.

K.1 enjoyed visiting the veggie garden on Wednesday to collect resources to construct our classroom compost worm tank. We will keep a close eye on our tank to make sure our worms have enough carbon, leaves and damp soil to wriggle through.

Positive Living Skills

In the Kitchen Garden for breakfast we enjoyed corn and zucchini fritters. All produce coming from our little Veggie patch.

A big thank you to Hudson Ashton's Nan and Pop for spoiling us with all those eggs.

DOCKET PROMOTION

Don't forget Yanco Public School
participates in the Golden Apple shopping
docket promotion.

Simply collect all your dockets and drop
them in to the school office at any time.

We would really appreciate your support!

Zucchini and corn fritters

Ingredients

2 zucchinis grated
1 cup of grated cheese
2 cups of corn
125g bacon diced
½ cup plain flour
onion diced
6 eggs whisked
½ cup milk

Method

Mix all ingredients together and fry in pan,
flip once set and cook until browned.
serve with homemade tomato relish or
tomato sauce.
