Yanco Public School.....Towards a better world

Dear families,

I will start by wishing you all a safe and happy Winter break. Staff return to school on Monday 17 July and students start on the Tuesday. We are starting the term off with the Book Fair. I know Mrs Vidler sent out this information to everyone and I know that the kids will all be busy working out which piece of stationery they want or the books they are going to select.

Formal reports will be going home on Friday. These are sent twice a year with a focus on how each child is progressing in the areas of learning they have been exposed to. Please remember that a **C** or **Sound** is where a child should be if they are on track with their learning. If your child receives additional support in learning this is reported on as well. Any report that is not collected will be securely stored at school and sent home at the beginning of Term 3. We will also be inviting families to meet with teachers to discuss these progress reports early in the new term.

Kinder 2024.

Please let all your neighbours know that we are busy running our Little Learners Program each Friday for those students who are three and can use the bathroom independently. Week 8 we start full days for those who are moving into Kinder in 2024. We would love for all our new students to experience this program from the beginning and ask for your support in reaching all our prospective families.

The Canberra trip is one of those trips that is still etched in my memory as a primary student. Students will start researching all the places they are to visit and I know, based on the amount they will see that they will be very tired when they return. A big thank you to Miss Grigg, Miss Williams and Miss Jeffs for volunteering to teach and lead for what will be 96 hours straight with little to no break.

Rehearsals are in full swing for Wakakirri, if you have a child who is in years 3-6, get ready to learn about jazz hands, clapping in time and the music of the past. With the theme of our performance being based around working together to achieve an end goal we are encouraging all students to have a go, be part of the performance and learn all the moves. I know that the practice videos are on the 4/5/6 Google Classroom and they will be up for our Year 3 students soon.

We will have a packing list for the trip ready for the end of term. I can tell you now that it will not include devices. Parents will be given a list of phone numbers they can make contact on, and students will also be aware of this. **FINAL PAYMENTS ARE TO BE RECEIVED BY THIS FRIDAY, UNLESS EXTENDED PAYMENT PLANS HAVE BEEN ARRANGED.**

Memory book

Thank you to all the families who helped contribute to this book. We have gifted a copy to both sides of the boys' families, and we have a copy for school which will be held in the library. A big thank you to Mrs Walsh who worked tirelessly in completing this over the past term.

Safety and Security - Thank you to all the families who ensure that our children arrive at school safely each day. We would like for you to remind them that they must walk across the road and use a crossing if it is there. All scooters and bikes must be accompanied by a helmet. We have a duty of care, and we ask that you help us in helping kids stay safe. If you see anyone on site over the break and you are not sure if they should be there, please contact the school phone and let us know.

PJ Day and Sausage Sizzle

Don't forget to bring in your money for lunch and check that your pajamas still fit. **Slippers are not to be worn to school.** They can come in a bag and be worn in the classroom. School shoes or trainers must be worn outside the rooms.
