Yanco Public School.....Towards a better world

Welcome back to the second half of the year. We are only in week 2 and there are so many things we are already celebrating.

Sport

The term ended with another well-run Small Schools Athletics Carnival and this week will see those students who were successful in their fields represent the school at the LNPSSA competition in Leeton. We wish them well as they test their skills against other students in the Leeton and Narrandera area.

Indie Dunn spent her last day of term trialling and being successful in making the Riverina Rugby Union team. We wish her all the best as she represents our school in Mudgee in September at the State Championships.

Harriet Naylor has been demonstrating her skills as avid skier at the interschools Championships in Perisher and came 4th in her division.

Arts

Those students who are performing in Canberra have been madly learning their steps and positions for the Video Killed the Radio Star Performance. We have costumes ready to pack on the bus and the excitement levels and nerves are increasing daily.

Amelia and Genevieve Cuteri are learning some extremely hard words ready to represent us in the Premier's Spelling Bee later this term. If you walk past them, throw them a challenge word, and test their skills. The words they can spell are quite amazing.

Canberra Trip

I am very proud of all the students as they prepare to take the challenge up to leave home and embark on this grand adventure. We know that it is a big thing for you as parents to put your trust in us and as we have said to the students, we take this seriously. All students have had it explained that personal phones or devices are not to come to the excursion under any circumstances. They know that this is a safety thing and that if there is a need for contact between home and the group, we will make this happen. Miss Grigg will have the school phone and you will be able to message on 0487 217 424 if needed. The teachers will also update the community through Facebook of all the great things that happen. Please take the time to follow the adventures.

The agenda is jam packed. Mahoney's have put together a fantastic agenda filled with fun, culture and the all-important visits to memorials and Parliament House. We have shared the importance of being quiet and respectful during our times in these places of significance and why they are places that are part of the trip.

Don't forget to set those alarms for Monday morning as it is an early start for all of us. There will be an opportunity for students who reside in Narrandera to be collected there.

NAPLAN

There will be a delay in the delivery of NAPLAN results due to a printing error. As soon as our new reports have been delivered to the school, I will have these sent to families. If you would like to discuss these reports, please do not hesitate to contact me at school.

Have your say on your child's education

The NSW Department of Education is developing a new plan for NSW public education. We want to hear from our parents, carers, and community on this important work. Our draft plan for NSW public education outlines how we will create an outstanding and equitable education system and uplift trust and pride in the teaching profession. It has a focus on how public education can transform lives and sets aspirations for every learner. We invite you to have your say on this important work. You can do this by visiting the department's draft plan for NSW public education. Here you will find an online engagement platform that can be used to share your feedback. It will take between a few minutes to 10 minutes, depending on the level of feedback you wish to provide. Consultation will take place between Monday 17 July 2023 and Friday 25 August 2023. If you have any questions about the draft plan, or the consultation, contact the Department of Education at engageTD@det.nsw.edu.au.

K.1 News

It has been an exciting start to Term 3 for K.1! We had the Jackie French author talk at Leeton Library. Salvation Army Social skills program started on Monday and Rusty came for a visit. In social skills, students identified their emotions and had to explain why they thought that emotion card matched.

LIBRARY NEWS

WEEK 2 TERM 3

The Book Fair was a great success, some great purchases were made by the students. Lots of happy readers.

WEEK 2- 27/07/23

Little Learners News

The Little Learners recently listened to the book '*Little People, BIG DREAMS*' about Evonne Goolagong Cawley as part of our celebration of NAIDOC Week - For Our Elders.

We spoke about Evonne Goolagong Cawley, her many tennis achievements, how she grew up in Barellan and is a descendant of the Wiradjuri people.

The Little Learners loved looking at pictures of Barellan's 'Big Tennis Racquet' (which was made to celebrate the 100th year of Barellan and its proud association with Evonne Goolagong-Cawley).

We made and decorated our own tennis racquets using paper plates and paddlepop sticks, using them to hit balloons around the room like we were playing tennis. So much fun and so many smiling faces!
